PRESIDENT'S REPORT

At last months meeting we decided to honor the folks at our meeting place, Serrecchio's Family Restaurant by having some race cars there on the 17th of May. That's this coming Sunday. It's from 12 noon, to 4 pm. Cars don't have to be taken off the trailer or anything, just be there, and let the public take a look. I'm sure you'll want to have an early supper, or late breakfast, or lunch while you're there. Check out the Sunday specials. Cindi Horkey is supposed to bring her beautiful 56 Chevy Bel/Air. It's sharp. C'Mon out, and spend the afternoon with us. The meeting will follow on Tuesday the 19th. Remember to come back for that.

Geez folks, racing's taking a real hit this year. Big Jim Davis lost his life in an auto accident April 27th, just a few days before the funeral for his Mother-in-law Geri Messersmith, his wife Louise' Mom. Then a week or so before this, I got a call that Dave Clay had passed away. Dave had raced with us at Hickory, Canton, & other tracks in by gone days. His Dad, George raced at Canfield about 1967, or 68. About the same time I started racing.

Then, just today more sad news as I received word that Tim Reeher had passed away yesterday, May 9th. You know what, I hate using my wheelchair unless I absolutely can't get around without it, and this guy went everywhere in his, all the time, everywhere. And if it was a function that had to do with racing, he was there. What a guy, just a very dedicated race fan. These folks will be sorely missed by the racing community.

As the earth around us renews itself in spring's wonderful blooms, it's such a shame to start the 2009 racing season with these sad reports, but along with the sun, a little rain must fall. Leaving the good times forever etched on our hearts, as we remember these fine folks. Our deepest and most sincere condolences to the Families, & friends of these fine folks.

Happy belated Mother's Day to all you Moms. Wish my Mother was still here to be able to celebrate this day with. If you think your Mom's a pain in the neck now, when she's gone the pain will be lower, in your heart. Enjoy her while you can. Like all of life, those precious fleeting moments are too soon gone, leaving an empty spot in your soul, that nothing else can take the place of. It's crazy, but what I remember most now of my Mom, is special little things she did for me when I was little. The special little things that make me wish I could have been as good of a Dad, as she was a Mom. Ah yes, enough of the sentimental stuff.

Changes for the Banquet this year were made at last months meeting. They're outlined in the minutes, but in order to protect our treasury the main order of business was raising ticket prices. It hasn't changed for over 10 years, and the weather gave us a big time hit last year. We ended the year, almost broke. So we'll have to look at it in the fall and do what's best to stay alive.

Thanks to our treasurer Jack Coley for covering Midvale's Club night, and our new V.P. Gwen Crum for taking Mercer's, and Deerfield's night. I still haven't got any volunteers as far as someone to cover any Club nights for us. Maybe we should only get Club nights if we have someone to represent us. C'mon people, this Club's not just for the officers, those are probably the busiest members of all. We need volunteers. Sandusky's coming up, in 3 weeks, May 29th. Is anyone going???

That's it for now folks. Car show, May 17th, Club meeting May 19th. Show your support by being there.

Your Prez, Dick Berry.

MEETING NEWS

by JEAN COLEY

Notes from Tuesday April 21, 2009 at Serricchio's restaurant. The President recited "great truths to kids". 34 people attended.

Sunshine: Joy Berry sent 4 get well cards to following: Judy Beck, Phyllis Fuller, Art Osmer and Tom Paxton; a sympathy card to Dan and Linda Fennel for Dan's Mom; and a thinking of you card to Wes Osmer who is awaiting a Kidney transplant.

Jim Balentine Jr wants to have a page in the newsletter just for drivers. May 19 is our next meeting at Serricchio's. Licken & Stickem is May 12th at Berry's house.

The Hayride: We pay \$5.50 per person. We are going to charge \$3.00 per person to help defray the cost.

Picnics: June 16 will be the meeting and picnic at North Jackson and August 2 will be our club night at Tri-City and Picnic. It was suggested we invite the people from Serricchio's to our picnic at 7PM. The invitation was extended to them.

Serricchio's invites all drivers to bring their race cars to the restaurant to be on display on May 17th. Publishing the newsletter every other month was not approved. There are some 487 newsletters sent each month with a cost of about \$249.00 per month. Emailing the newsletter is not a popular at this time.

Banquet: We usually have from 100 to 200 people. The cost must be raised to \$28 to \$30. It's suggested we only give one free ticket to each award winner. Instead of having a DJ it was suggested we pay Tonja Pemberton's son \$50.00 to play some CD's from his large collection. The Hall is available for December 5th with a deposit. It was discussed that we drop the Banquet at a board meeting due to a shortage in our Treasury. We would have to change our By-Laws if we canceled it.

The Christmas Family dinner will be Sunday December 13th.

We should promote Super Modified's since they are part of the show on our club nights at Lorain and Motordrome speedways.

The President needs volunteers to hand out plaques at club nights. Please consider helping out call the president.

We have been considering ways to raise money for our Treasury. A fundraiser was suggested. It cost approximately \$4000.00 per year to run the club.

On Monday May 25 Terry Adams invites us to Raceway 7 for the races at 1/2 price admission.

Racer Sean McGarvy died and donations are being put in a trust fund for his daughter.

Pittsburgh Circle track post a advertising on race studs for new members. Chris Berry is looking into maybe placing an ad for Twin-State to get new members.

Francey needs patches to give to all our new members. We need a place to order our clothing. We need someone who will make up small orders. Jim Balentine Sr made 2 announcements.

Mercer Raceway park invited Jeff Schrum, who is ill, to see the races with his family in a section of box seats and the drivers came into the stands and collected money for him to help him in his time of need.

Pastor Bill urged us to pray for Paul Oiler's mom who is sick. He also announced that Troy Preston got married.

The 50-50 of \$30.00 was won by Francey McCall with \$15.00 going to the waitress and \$15 to the club.

CHAPLAINS THOUGHTS & PRAYERS by Racing Chaplain Bill Beck

This past year has posed more questions for me than I have been able to answer, especially the way I am some times expected to answer.

As you all know, we in the racing family have been tested with some very difficult trials. We have faced cancer, heart problems, kidney disease, and many other physical needs. Then there is the economy, accidents, and the list seems to have no end.

My next statement is not very popular, even though it is true - the end will never be finished until we reach Heaven. That said, we still ask, "WHY?!"

We are not promised that we will live on easy street all our lives. As I have become a reader of the Bible, I see one thing that has given me the strength to get up each day and face any thing that comes my way. I will never say it doesn't bother me, as I would not be telling the truth.

When I find myself getting down about an issue, then it is time to seek God with all the strength I can find. Although it may seem like much when I give my little, Jesus will increase it and then I will see some break through in what had looked impossible before. Remember, God was, is, and always will be, the answer.

I have said all that in answer to the question I have heard over and over from so many people in the last year, "Why are we having all this trouble?" The answer is that we live in a fallen world. You may say that you don't, and my question to you is, how are you so sure? Have you given everything to God, or are you still holding out on him?

In this world, we are afraid to hold out on a loan shark for fear of the consequences, but we think little or nothing about holding out on Jesus. It makes me sad to tell you He loves us but He will hold us accountable for the way we ignore Him.

If you are in the midst of some really bad stuff in your life, let me suggest something for you to try. First, turn your life and all it's problems over to Jesus, and not just until the bad stuff stops, but forever. And then, begin to read the Bible, not just for a quick fix, but to begin forming a new life.

I will assure you if you do those two simple things and really mean it and don't ever quit, you will be able to answer your own WHY question, and also be able to help others along the way.

2 Timothy chapter 4 is a good place to read and if that isn't what you are looking for keep searching the scriptures.

Well here I am again, I have a page to fill, and nothing ready to put in it. I got lots of stuff to talk about, but nothing ready to go. So I'll just wing it.

Last meeting, we discussed several things to cut corners and save money on our biggest expense,,,,,,our Newsletter expenses. One thing that we found was there has been lots of households that had children living with parents. Mine for example, my daughter and son-in-law live here with us, and we got 2 newsletters until recently. We don't really need any. They are brought here after printing, and there's always a few extra so we could just grab one. There were other households that 2 went to, and we can cut down on some newsletters, and mailing. If you all know of a home that doesn't need 2 newsletters, and are getting 2, let us know. We have to cut down on expenses any way we can. We discussed if someone wanted to go to the website, www.twinstateracing.org and get their newsletter that way it could save a few dollars, but if they wanted to get their newsletters off the web, we couldn't save anything if they didn't notify us, to be taken off the list.

Then, too, what about when ballots, and such need to be sent out. Are we going to go crazy putting people on, and taking them off the list for mailing. We might be trading a headache for an upset stomach. Some things, at times, are better off left alone. You know the old saying; If it ain't broke, don't fix it. We may need more discussion as we go.

Please try to stop by Serrecchio's on Sunday May the 17th. We're having a car show. Well, kind of a car show. They just invited us to display the cars there some time to help business. Carol thought it'd be good for business, and we agreed. (We picked May so there wouldn't be as many dents, & scrapes in the cars). They signed the papers to buy the restaurant, so they're in it for the long haul, for sure. That place was opened, and closed so many times, that some folks were hesitant about going there. But, they've been very gracious and accommodating with us so far. And any problems can be worked out by talking with them. Cindi Horkey has agreed to bring her beautiful 1956 Chevy Bel-Air out to show. Tim Schmitt will bring my "Uncle Bud" number 91, car out. He keeps it looking real nice. It's a 32 year old 1977 Chevelle, original from front to back. Of course Cindi's Chevy has me beat for the oldest, as her's is 53 years old. Sam Ritenour, Jeff Mundell, and hopefully Steve Horkey are all scheduled to have their cars completed, and be there. (It would be nice to have 100% attendance of the BRE Boys).

Oh, by the way, our summer picnic was moved back to the June Meeting, on the 16th of June. We'll be at the Liberty Pavilion in North Jackson Ohio, about 3/4ths mile south of Rt 18, on the east side of Rt 45. The folks from Serrecchio's were invited to join us, and let us serve them for a change. They graciously accepted our offer.

Hope I haven't forgotten anything. D.B.
